Fully compliance in terms of the valuations, assumptions, reporting and disclosure requirements must be determined in alignment with GRAP 25: EMPLOYEE BENEFITS.</p> <p>a) The Municipality contributes to a <u>Defined contribution plan</u> which definition in terms of GRAP 25 is <i>a post-employment benefit plan under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee benefit services in the current and prior periods.</i></p> <p>b) The Municipality pay long service leave of ten (10) days to its employees who has completed ten (10) years of unbroken service, fifteen (15) days long service leave for fifteen years of unbroken service and twenty (20) days long service leave for twenty years and twenty-five (25) days long service leave for twenty-five (25) years and thirty (30) days long service leave for thirty (30) years and thirty (30) days long service leave for thirty-five (35) years and thereafter thirty-five (35) days long service leave for forty (40) years and more, continuous service;</p>

d) Continuous Medical Aid Contributions for Pensioners. The Municipality also continues to contribute 60% of the Medical Aid contributions of the Pensioner/Former Employee Medical Aid costs until death on condition that the employee has worked for the Municipality for ten (10) years of unbroken service.

Hence the Municipality would require the following valuations:

- Post-employment benefits,
- Long Service Awards; and
- Ex-Gratia Payments

The Valuations must be determined in alignment with Generally Recognized Accounting Practice GRAP 25: Employee Benefits and taking into account all management's general assumptions as outlined below.

 - e. Thirty (30) days long service leave after thirty (30) years to thirty-five (35) years of continuous employment.
 - f. Thirty-Five (35) days long service leave after 40 years of continuous employment.
- i) The long service leave rate per day is determined by calculating the total annual cost of employment on the day the employee becomes eligible to the long service leave divided into two-hundred-and-fifty days (250) worked per annum.
- ii) Employees are discouraged from accumulating long service leave.

PROJECT COSTING

In terms of the Municipality's procurement procedures quotations are evaluated on the basis of a total cost or value for money (in addition to other criteria). As such potential registered financial service providers are required to prepare a plan of work with clear cost estimates based on the information provided in this specification, as this will facilitate a comparison across proposals. The plan of work is to include detailed tasks to be carried out, how long it will take to complete the task, person(s) allocated to each task, hourly rate to be charged and number of hours allocated for each task and disbursements.

All assumptions made in preparing the cost estimate must be clearly indicated in the quotation.

TECHNICAL EVALUATION CRITERIA

The below mentioned criteria regarding functionality are required for responsiveness and therefore eligibility for the next stage of evaluation.

If the minimum of 10 points is not scored for functionality the quotation will be rejected and not considered for further evaluation. These criteria shall only determine whether a quotation will be eligible for further evaluation and will not influence the points scored on Price.

If any criterion is rated zero points, the quotations will be rejected, even if the required 15 out of 30 points are achieved. A bidder that scores less than 15 points in respect of functionality will be disqualified.

All information and particulars necessary to properly evaluate the tender must be furnished on the submission. Incomplete particulars and documents required to substantiate the Company's claim or insufficient documentary proof thereof will be construed to mean that the Company is forfeiting the evaluation points in that regard.
