FUNCTIONALITY SCORING

All quotations received will be evaluated on the 80/20 point scoring basis. The 80 points will be for Price and 20 points are for specific goals and / or for achieving the prescribed reconstruction and Development Programme (RDP) goals.

The below mentioned criteria regarding functionality are required for responsiveness and therefore eligibility for the next stage of evaluation. If the minimum of 12 points is not scored for functionality, quotation will be rejected and not considered for further evaluation. These criteria shall only determine whether a quotation will further be evaluated and will not influence the points scored on Price.
