1.24 "Services" means those functional services ancillary to the Supply of the goods, such as transportation and any other incidental services, such as assembling, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.

1.25 "Supplier" means the successful bidder who is awarded the contract to maintain and administer the required and specified service(s) to the State.

1.26 "Tort" means in breach of contract.

1.27 "Turnkey" means a procurement process where one service provider assumes total responsibility for all aspects of the project and delivers the full end product service required by the contract.

1.28 "Written" or "in writing" means hand-written in ink or any form of electronic or mechanical writing.

## **2. Application**

2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.

2.2 Where applicable, special conditions of contract are also laid down to cover specific goods, services or works.

2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

## **3. General**

3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a nonrefundable fee for documents may be charged.

3.2 Invitations to bid are usually published in locally distributed news media and on the municipality/municipal entity website.

## **4. Standards**

4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

## **5. Use of contract documents and information inspection**

5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.

5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.

5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

## **6. Patent Rights**

6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.

6.2 When a supplier developed documentation / projects for the municipality / municipal entity, the intellectual, copy and patent rights or ownership of such documents or projects will vest in the municipality / municipal entity.

## **7. Performance security**

7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.

7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.

7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:

(a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or

(b) a cashier's or certified cheque.

7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified.

## **8. Inspections, tests and analyses**

8.1 All pre-bidding testing will be for the account of the bidder.

8.2 If it is a bid condition that goods to be produced or services to be rendered should at any stage be subject to inspections, tests and analyses, the bidder or contractor's premises shall be open, at all reasonable hours, for inspection by a representative of the purchaser or organization acting on behalf of the purchaser.

8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.

8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the goods to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.

8.5 Where the goods or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such goods or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.

8.6 Goods and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.

8.7 Any contract goods may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected goods shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with goods, which do comply with the requirements of the contract. Failing such removal the rejected goods shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute goods forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected goods, purchase such goods as may be necessary at the expense of the supplier.

8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 22 of GCC.

## **9. Packing**

9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size weights shall

take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, and in any subsequent Instructions ordered by the purchaser.

## **10. Delivery and documents**

10.1 Delivery of the goods and arrangements for shipping and clearance obligations, shall be made by the supplier in accordance with the terms specified in the Contract.

## **11. Insurance**

11.1 The goods supplied under the contract shall be fully insured in a freely Convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified.

## **12. Transportation**

12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified.

## **13. Incidental Services**

13.1 The supplier may be required to provide any or all of the following services, including additional services, if any:

- (a) Performance or supervision of on-site assembly and/or commissioning of the supplied goods;
- (b) Furnishing of tools required for assembly and/or maintenance of the supplied goods;
- (c) Furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
- (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
- (e) Training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.

13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

## **14. Spare parts**

14.1 As specified, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:

- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and;
- (b) in the event of termination of production of the spare parts:
  - (i) advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
  - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

## **15. Warranty**

15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.

15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract,

or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise.

15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.

15.4 Upon receipt of such notice, the supplier shall, within the period specified and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.

15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

## **16. Payment**

16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified.

16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfillment of other obligations stipulated in the contract.

16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.

16.4 Payment will be made in Rand unless otherwise stipulated.

## **17. Prices**

17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized or in the purchaser's request for bid validity extension, as the case may be.

## **18. Variation orders**

18.1 In cases where the estimated value of the envisaged changes in purchase does not vary more than 15% of the total value of the original contract, the contractor may be instructed to deliver the goods or render the services as such. In cases of measurable quantities, the contractor may be approached to reduce the unit price, and such offers may be accepted provided that there is no escalation in price.

## **19. Assignment**

19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

## **20. Subcontracts**

20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contracts if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

## **21. Delays in the supplier's performance**

21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.

21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

21.3 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the goods are required, or the supplier's services are not readily available.

21.4 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22,

unless an extension of time is agreed upon pursuant to GCC Clause 22.2 without the application of penalties.

21.5 Upon any delay beyond the delivery period in the case of a goods contract, the purchaser shall, without cancelling the contract, be entitled to purchase goods of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

## **22. Penalties**

22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

## **23. Termination for default**

23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
- (b) if the supplier fails to perform any other obligation(s) under the contract; or
- (c) if the supplier, in the judgement of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner, as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.

23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.

23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the supplier as having no objection and proceed with the restriction.

23.5 Any restriction imposed on any person by the purchaser will, at the discretion of the purchaser, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the purchaser actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7. If a court of law convicts a person of an offence as contemplated in sections

12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Bid Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public

sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits.

According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

#### **24. Antidumping and countervailing duties and rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favorable difference shall on demand be paid forthwith by the supplier to the purchaser or the purchaser may deduct such amounts from moneys (if any) which may otherwise be due to the supplier in regard to goods or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

#### **25. Force Majeure**

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

#### **26. Termination for insolvency**

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the purchaser.

#### **27. Settlement of Disputes**

27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.

27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.

27.4 Notwithstanding any reference to mediation and/or court proceedings herein, (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and

(b) the purchaser shall pay the supplier any monies due the supplier for goods delivered and / or services rendered according to the prescripts of the contract.

#### **28. Limitation of Liability**

28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to Clause 6;

(a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and

(b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

## **29. Governing language**

29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

## **30. Applicable law**

30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified.

## **31. Notices**

31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.

31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

## **32. Taxes and duties**

32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid MCLM must have certified that the tax matters of the preferred bidder are in order.

32.4 No contract shall be concluded with any bidder whose municipal rates and taxes and municipal services charges are in arrears.

## **33. Transfer of contracts**

33.1 The contractor shall not abandon, transfer, cede assign or sublet a contract or part thereof without the written permission of the purchaser

## **34. Amendment of contracts**

34.1 No agreement to amend or vary a contract or order or the conditions, stipulations or provisions thereof shall be valid and of any force unless such agreement to amend or vary is entered into in writing and signed by the contracting parties. Any waiver of the requirement that the agreement to amend or vary shall be in writing, shall also be in writing.

## **35. Prohibition of restrictive practices:**

35.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of **restrictive practices** 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is / are or a contractor(s) was / were involved in collusive bidding.

35.2 If a bidder(s) or contractor(s) based on reasonable grounds or evidence obtained by the purchaser has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in section 59 of the Competition Act No 89 Of 1998.

35.3 If a bidder(s) or contractor(s) has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned

## **BIDDERS TO BE EVALUATED ON FUNCTIONALITY**

**5.(1)** An organ of state must state in the bid documents if the bid will be evaluated on functionality.

(2) The evaluation criteria for measuring functionality must be objective.

(3) The bid documents must specify-

(a) the evaluation criteria for measuring functionality;

(a) the points for each criteria and, if any, each sub-criterion; and

(b) the minimum qualifying score for functionality.

(4) The minimum qualifying score for functionality for a bid to be considered further-

(a) must be determined separately for each bid; and

(b) may not be so-

(i) low that it may jeopardise the quality of the required goods or services; or

(ii) high that it is unreasonably restrictive.

(5) Points scored for functionality must be rounded off to the nearest two decimal places.

(6) A bid that fails to obtain the minimum qualifying score for functionality as indicated in the bid documents is not an acceptable bid.

**APPOINTMENT OF SERVICE PROVIDER/S FOR THE SUPPLY, DELIVERY, INSTALLATION AND MAINTENANCE OF EFFLUENT AUTOMATIC COMPOSITE SAMPLERS AS WELL AS EFFLUENT DISCHARGE FLOW METERS AT WET INDUSTRIES WITHIN MOGALE CITY LOCAL MUNICIPALITY ON AN AS-AND-WHEN-REQUIRED BASIS FOR A PERIOD OF THREE (3) YEARS.**

**1. PURPOSE**

Mogale City Local Municipality (MCLM) hereby invites the service provider/s for the supply, delivery, installation and maintenance of effluent automatic composite samplers as well as effluent discharge flow meters at wet industries within Mogale City Local Municipality on an as-and-when-required basis for a period of three (3) years.

**2. BACKGROUND**

The Scientific & Quality Control Services, – Industries unit is responsible for the industrial effluent monitoring within the Mogale City Local Municipality from wet industries to prevent the pollution of water resources, i.e., streams, rivers and the environment. It further minimizes the destruction and deterioration of the wastewater network and therefore, improves the lifespan of the infrastructure assets. Wet industries refer to a group of companies whose operational processes involve water usage and industrial effluent discharge into the Mogale City sewer infrastructure, which could have a negative impact.

The procurement of effluent automatic composite samplers and effluent discharge flow meters will assist Scientific & Quality Control Services - Industries, with the following:

- Measuring precise volumes for the purpose of monitoring and controlling industrial effluent / wastewater discharge is essential to ensure environmental compliance and operational efficiency across various industries.
- Industrial effluent / wastewater quality monitoring provides a more comprehensive and precise understanding of the industrial effluent / wastewater composition over an extended period compared to individual grab samples.

**NOTE SHOULD BE TAKEN THAT the effluent automatic composite samplers and effluent discharge flow meters are intended for use in industries where the effluent contains high levels of organics, large solids, fats and oils, and is subject to variable temperatures ranging from -20°C to 100°C.**

### 3. OBJECTIVES

The purpose of this tender is to appoint service provider/s for the supply, delivery, installation and maintenance of effluent automatic composite samplers as well as effluent discharge flow meters at the Scientific and Quality Control Services: Industries.

The objectives include the following:

- a) Ensuring the continuous availability of high-quality, reliable sampling equipment to support sampling operations.
- b) To measure precise volumes for the purpose of monitoring and controlling industrial effluent / wastewater discharge which is essential to ensure environmental compliance and operational efficiency across various industries.
- c) To monitor industrial effluent / wastewater quality which provides a more comprehensive and precise understanding of the industrial effluent / wastewater composition over an extended period compared to individual grab samples.
- d) To enhance the operational efficiency and technical capacity of the Scientific and Quality Control Services through access to modern sampling equipment.
- e) To ensure compliance with regulatory, quality assurance and safety standards of all procured equipment.

### 4. SCOPE OF WORK

#### 4.1 SUPPLY, DELIVERY AND INSTALLATION OF EFFLUENT AUTOMATIC COMPOSITE SAMPLERS AS WELL AS EFFLUENT DISCHARGE FLOW METERS

The service provider/s will be required to supply, deliver and install the following:

**Effluent automatic composite samplers with an:**

- Section A - Effluent vacuum sampling system; and
- Section B - Effluent peristaltic pump sampling system.

**Effluent discharge flow meters:**

- Section C - Full pipe industrial effluent flow meters.
- Section D - Open channel flow meters with a submerged flow sensor; and
- Section E - Open channel flow meters with non-contact sensors

**PLEASE NOTE:** It is a prerequisite that a product catalogue/brochure with the manufacturer's name, model, picture and specifications of **ALL** equipment be attached, e.g., safety features, ergonomic features, mechanical features, standards, etc. Failure to attach the product catalogue/brochure will lead to the disqualification of that section.

Please indicate in the table below the section/s for which the service provider/s will be submitting bids.

#### **4.2 MAINTENANCE OF EFFLUENT AUTOMATIC COMPOSITE SAMPLERS AS WELL AS EFFLUENT DISCHARGE FLOW METERS**

In addition to supply, delivery and installation, the successful service provider/s must provide a comprehensive maintenance plan for each effluent automatic composite samplers as well as effluent discharge flow meters for a period of three (3) years.

This shall include:

- Preventive maintenance in line with the Original Equipment Manufacturer (OEM) recommendations.
- Emergency maintenance when required, including replacement of defective parts.
- Where a tender is awarded for the supply, delivery, installation and preventative maintenance of effluent automatic composite samplers as well as effluent discharge flow meters, the same service provider/s shall also be engaged to perform any required emergency maintenance, including the replacement of defective parts, on a quotation basis, based on the nature of the maintenance to be performed.
- Availability of spare parts for the duration of the contract.
- Technical support (remote or on-site) to ensure uninterrupted use of the equipment.

Service provider/s are required to either:

- Complete the **Maintenance Plan (Table 2)**, clearly setting out the type of maintenance, activities to be performed, frequency and turnaround times for each effluent automatic composite samplers as well as effluent discharge flow meters tendered.

**OR**

- Submit a **signed comprehensive maintenance plan** from the OEM or authorized distributor, confirming their capability to provide full maintenance support for the quoted effluent automatic composite samplers as well as effluent discharge flow meters, including the type of maintenance, activities to be performed, frequency and turnaround times.

## 5. DELIVERABLES

### 5.1 The successful service provider/s shall provide the following:

- Effluent Automatic Composite Samplers (Section A & B)
- Effluent Discharge Flow Meters (Section C – E)

Supply, delivery and installation of the effluent automatic composite samplers and effluent discharge flow meters should be in line with the technical specifications.

### 5.2 Documentation to be supplied per effluent automatic composite samplers and / or effluent discharge flow meters upon delivery:

- Certificate of Conformity/Compliance (COC).
- Calibration certificates.
- User manuals and maintenance guidelines (in English).
- Warranty certificates (minimum 12 months).

### 5.3 Training

On-site training covering operation, safety, routine maintenance and basic troubleshooting as well as a training report or certificate of attendance for Industries personnel when the training has been completed.

### 5.4 Maintenance Commitment

- A completed Maintenance Plan (Table 2) or a signed OEM or authorised distributor maintenance plan.
- Annual Preventive Maintenance Plans for the duration of the contract, when the maintenance has been done.
- Emergency maintenance reports whenever repairs are performed.

### 5.5 After-Sales Support

Technical support contact details to be available during working hours.

## 6 DELIVERY ADDRESS

The delivery address for the supply, delivery and installation of effluent automatic composite samplers and effluent discharge flow meters is Flip Human WWTW, with installation at identified wet industries within the Mogale City Local Municipality, on an ad hoc basis.

**The laboratory is located at Flip Human Wastewater Treatment Works (see location on Google Maps, R41 Randfontein / Azaadville.**

Scientific & Quality Control Services Laboratory, R41 Randfontein / Azaadville.

Delivery hours: 8:00 to 15:30 weekdays.

Installation and training to be done at the identified industrial premises within the Mogale City Local Municipality.

## 6.2 DELIVERY PERIOD

- Delivery period after the official order shall be a maximum of thirty **(30)** working days for automatic composite samplers and effluent discharge flow meters manufactured locally.
- Delivery period after the official order shall be a maximum of sixty **(60)** working days for automatic composite samplers and effluent discharge flow meters manufactured internationally.
- If the above delivery periods are not achievable, the service provider/s should indicate delivery period in the pricing schedule.

## 7 PRICE

- 7.1 Prices to be stated in Rand value, excluding VAT and inclusive of VAT.
- 7.2 Prices quoted must be fixed for the first twelve (12) months after closing of tender; thereafter, escalation in line with the CPI published by Stats SA (as of January of each year) will be applied for years two (2) and three (3).
- 7.3 The quoted price must include delivery, installation and training costs for five (5) laboratory personnel (where applicable) on site.
- 7.4 Service provider/s must indicate the cost of **preventive maintenance for Year 1** in the pricing schedule. This cost must be inclusive of all labour and transport expenses, whether the maintenance is performed on-site or requires the collection and delivery of the equipment for off-site service.
- 7.5 Service provider/s must provide maintenance for all equipment supplied under this contract for a minimum period of three (3) years. As the nature and extent of emergency maintenance cannot be predetermined, costs will be addressed on a case-by-case basis.
- 7.6 Emergency maintenance (strip and quote) shall be performed by the appointed service provider/s. Upon notification of an emergency repair/s, the service provider/s shall provide a separate quotation that includes labour, transport, and any replacement parts required. All quotations shall be prepared on an as-and-when-required basis, depending on the nature of the maintenance to be performed.

## 8 SPECIAL CONDITIONS

The following special conditions should be adhered to, and relevant documentation should be submitted as requested:

- 8.2 The Municipality reserves the right to appoint more than one service provider for the supply and delivery of effluent automatic composite samplers and effluent discharge flow meters.
- 8.3 The tender may be awarded partially or in full to one or more service provider/s. The allocation of the tender, whether partial or in full, will depend on the pricing offered by the service provider/s for the sections they have priced on.
- 8.4 Service provider/s are not required to bid for all sections. However, if a service provider chooses to bid for a particular section, they must quote for all items listed in that section. Failure to quote for all items in a selected section will result in disqualification from that section.
- 8.5 A Certificate of Conformity or Certificate of Compliance (COC) that verifies the equipment meets the required standards and regulations must accompany the delivery.

- 8.6 For equipment with sensors or measurement functions (effluent automatic composite samplers and effluent discharge flow meters), a calibration certificate should be provided.
- 8.7 Note should be taken of the specifications provided in the pricing schedule for the supply, delivery, installation and maintenance of effluent automatic composite samplers and effluent discharge flow meters.
- 8.8 Effluent automatic composite samplers and effluent discharge flow meters will be inspected and tested upon delivery and installation to ensure it meets specifications.
- 8.9 Any effluent automatic composite samplers and effluent discharge flow meters found to be defective or non-compliant during inspection must be replaced at the supplier's cost within thirty (30) days.
- 8.10 The Municipality reserves the right to return the effluent automatic composite samplers and effluent discharge flow meters if the requirements / specifications per the pricing schedule are not met.
- 8.11 Ownership of the effluent automatic composite samplers and effluent discharge flow meters shall transfer to the Municipality upon final acceptance.
- 8.12 Installation and training of the effluent automatic composite samplers and effluent discharge flow meters should be done at the identified industrial premises within the Mogale City Local Municipality.
- 8.13 Training must include operation, safety, basic troubleshooting and routine maintenance.
- 8.14 A training report / certificate of attendance must be submitted upon completion.
- 8.15 The service provider/s must submit product catalogues/brochures for the quoted items that include technical datasheets/specifications with the bid. Failure to submit a catalogues/brochure for the bid item will result in disqualification of that particular section.
- 8.16 All effluent automatic composite samplers and effluent discharge flow meters must carry a minimum 12-month warranty from the date of delivery. Warranty certificates are to be included with the delivery. Should the Municipality be required to register for an extended warranty, the service provider/s should inform the Municipality at the point of delivery.
- 8.17 The warranty should cover parts, labour and technical support.
- 8.18 The service provider/s must provide user manuals and maintenance guidelines for the effluent automatic composite samplers and effluent discharge flow meters.
- 8.19 Documentation must be in English and clearly refer to the effluent automatic composite samplers and effluent discharge flow meters delivered.
- 8.20 Risk of loss or damage remains with the service provider/s until the effluent automatic composite samplers and effluent discharge flow meters are delivered, installed and accepted.
- 8.21 Service provider/s should provide maintenance for all equipment supplied under this contract for a minimum period of three (3) years.
- 8.22 Service provider/s must provide valid proof from the OEM or accredited service provider confirming that they are authorised and capable of servicing and maintaining the effluent automatic composite samplers and effluent discharge flow meters supplied.
- 8.23 Competency certificates from one or more team members, demonstrating the ability to maintain and service effluent automatic composite samplers and effluent discharge flow meters, must be submitted as part of the bid.
- 8.24 The replacement parts must be genuine OEM parts or OEM-approved equivalents.
- 8.25 All effluent automatic composite samplers and effluent discharge flow meters supplied must be the latest available model in production, not nearing obsolescence or discontinuation.

## **9 ROLES AND RESPONSIBILITIES**

This section outlines the key responsibilities of both the appointed service provider/s and the Municipality to ensure smooth implementation of the contract:

### **9.1. Service Provider/s**

The appointed service provider/s shall be responsible for the following:

- Supply of effluent automatic composite samplers and effluent discharge flow meters as per the technical specifications and quantities requested.
- Safe delivery of all effluent automatic composite samplers and effluent discharge flow meters to the Scientific and Quality Control Services laboratory, ensuring that fragile and sensitive effluent automatic composite samplers and effluent discharge flow meters is handled appropriately.
- Installation and commissioning of applicable effluent automatic composite samplers and effluent discharge flow meters in accordance with manufacturer guidelines at the identified industrial premises.
- Provision of training to designated municipal industrial personnel on effluent automatic composite samplers and effluent discharge flow meters use, safety, maintenance and basic troubleshooting.
- Issuing documentation, including:
  - Certificates of Compliance (COC),
  - Calibration certificates (for applicable instruments),
  - User manuals and maintenance guides,
  - Warranty certificates.
- Replacement or repair of any defective, damaged or non-compliant equipment within thirty (30) days of notification.
- Carry out preventive maintenance annually (or as per manufacturer's recommendation) and provide reports thereof. Service provider/s must also ensure that emergency repairs, including parts replacement, are carried out within 14 days.
- Provision of after-sales technical support.

### **9.2. Mogale City Local Municipality**

Mogale City Local Municipality, through the Scientific and Quality Control Services: Industrial Unit, shall:

- Ensure site readiness (power supply, space allocation, environmental conditions) prior to equipment delivery and installation.
- Coordinate acceptance inspection of equipment upon delivery, involving trained laboratory personnel.
- Confirm and sign off on delivery, installation, and training completion.
- Facilitate access to installation areas and relevant personnel during normal working hours.
- Monitor supplier performance in line with the agreed service level agreements and performance indicators.
- Initiate escalation procedures in case of poor service delivery, repeated failures, or breach of contract terms.

## 10. TECHNICAL EVALUATION CRITERIA

- The below mentioned criteria regarding Functionality is required for responsiveness and therefore eligibility for the next stage of evaluation. This is done to determine the ability of each bidder to successfully execute the contract according to specifications.
- Failure to score the minimum of **50 points** out of **35 points** will lead to non-compliance and bidder will be rejected after this phase and not continue for price scoring.
- A score of **zero (0)** in any criteria/sub-criteria will lead to disqualification of the bidder, regardless of the total or minimum points.
- These criteria shall only determine whether a bidder will further be evaluated and will not influence the points scored on Price.

	Technical Evaluation Criteria	Point allocation	Maximum score	Minimum score
1.	<p>Service provider/s must demonstrate relevant experience in the supply and delivery of effluent automatic composite samplers and/or effluent discharge flow meters.</p> <p>To verify this experience, service provider/s are required to submit a minimum of two (2) signed and contactable reference letters from previous clients or institutions, confirming that the above services were provided.</p> <p>For a reference letter to be considered for evaluation, it must include the following:</p> <ul style="list-style-type: none"> <li>• Be on the official letterhead of the client or institution offering the reference.</li> <li>• The name of the service provider.</li> <li>• Reference letter should be dated, date not to be prior to 2019.</li> <li>• The contact details and signature of the client or institution.</li> </ul> <p>Scoring Criteria for Reference Letters:</p> <ul style="list-style-type: none"> <li>• Less than two (2) contactable reference letters = <b>Zero (0) points.</b></li> <li>• Minimum of two (2) contactable reference letters = <b>Five (5) points.</b></li> <li>• Three (3) contactable reference letters = <b>Ten (10) points.</b></li> </ul>	<p>0 points</p> <p>5 points</p> <p>10 points</p>	20 points	5 points

	<b>Sub Total Criteria 3</b>		<b>10 points</b>	<b>10 points</b>
<b>4</b>	<p>Competency certificates of the technical team must be submitted to demonstrate the ability to maintain the effluent automatic composite samplers and effluent discharge flow meters effectively.</p> <ul style="list-style-type: none"> <li>No Competency certificate = <b>Zero (0) Points</b></li> <li>Manufacturer Training Certificate / Equipment Calibration Certificate / Maintenance Competency Certificate = <b>Ten (10) points</b></li> </ul>	<p><b>0 points</b></p> <p><b>10 points</b></p>	<b>10 points</b>	<b>10 points</b>
	<b>Sub Total Criteria 4</b>		<b>10 points</b>	<b>10 points</b>
	<b>Total</b>		<b>50 points</b>	<b>35 Points</b>

- The purpose of the comparison is to ensure a meaningful evaluation; bidders are requested to furnish detailed information of substantiation of compliance to the evaluation criteria. The service provider should at least score the minimum of **35 points out of the 30 points** in order to be considered to the next evaluation phase.
- All information and particulars necessary to properly evaluate the tender must be furnished on submission. Incomplete particulars and documents required substantiating or insufficient documentary proof thereof will be construed to mean that the service provider is forfeiting the evaluation points in that regard.

## 12. THE CRITERIA TO MONITOR AND EVALUATE PERFORMANCE OF THE SERVICE PROVIDER/S AS PER SECTION 27 OF SUPPLY CHAIN MANAGEMENT POLICY.

Key Performance Areas	Key Performance Indicators	Portfolio of Evidence
1. Leadtime	Effluent automatic composite samplers and effluent discharge flow meters to be delivered within 30 – 60 days	<ul style="list-style-type: none"> <li>The delivery note must be on the letterhead of the service provider's company.</li> <li>The delivery note should not take longer than 60 days after the issuing of the order.</li> </ul>
2. Quality	The quality of equipment must be as per the order. Applicable warranty for effluent automatic composite samplers and effluent discharge flow meters.	<ul style="list-style-type: none"> <li>A warranty certificate should be submitted with effluent automatic composite samplers and effluent discharge flow meters.</li> </ul>
3. Preventative Maintenance	Maintenance to be performed as per Maintenance Plan	<ul style="list-style-type: none"> <li>Job card / maintenance certificate / Calibration certificates (where applicable instruments).</li> <li>Turnaround time for preventative maintenance should be within 14 days after receipt of order.</li> <li>Turnaround time for emergency repairs should be within 30 days after receipt of order.</li> </ul>

### SCORING GUIDELINES

Rating scale	Description
1 = Poor (<59%)	Unacceptable Performance, the performance does not meet the standard expected, the contractor has failed to demonstrate the commitment level expected.
2 = Average (60-69%)	Performance not fully effective, performance is below the standard required, it meets some expectations.
3 = Above Average (70-79%)	Performance fully effective, performance fully meets standards expected as per the scope
4 = Good (80%-89%)	Performance significantly above expectations, performance is significantly higher than the standard expected.
5 = Excellent (90%-100)	Outstanding performance, performance far exceeds the standard expected.

### PENALTIES

Penalties for poor performance will be evoked in line with Clause 10 of the Supplier Performance Monitoring and Evaluation Policy.

## BID CHECKLIST
