

## **BEWARE of employment scam: Misleading Mogale City Vacancy Invitation**

Mogale City Local Municipality would like to warn its residents against a fraudster employment scam that is inviting residents for vacancies such as Administrative Clerk interviews.

The fraudster who is running the scam is posing as a municipal official, and is inviting people to call a specific number and arrange interviews that are alleged to be held at the municipality offices. When the appointment is arranged and confirmed, the unsuspecting clients or potential interviewees are then requested to pay a certain amount of money to facilitate the interviews.

Mogale City Local Municipality would like to put it on record that this is a scam and in no way is the Municipality associated with this. The residents are advised to ignore such advertisement and if the suspects are known we also urged you to report this at your nearest police station or call Mogale City Local Municipality Corporate Support Services on (011) 951 2000 for verification of any Advertisements.

Regards

Executive Mayor: Councillor Michael Holenstein

Date: 20.01.2017
