NOTICE

Ref: 86063

MOGALE CITY LOCAL MUNICIPALITY PUBLIC NOTICE TO WIDEN ROBERT BROOM ROAD

Notice is hereby given that Mogale City Local Municipality hereby **intends to widen Robert Broom Drive into a 4 (four) lane dual carriageway** (two lanes in each direction between **Lud Hersch Road and Sugar Bush Estate entrance intersection**) in Krugersdorp.

The proposed section of Robert Broom Drive to be upgraded into a two lane urban road with a median (a reserved area that separates opposing lanes of traffic on divided dual carriageways) will prevent the traffic coming from Sugar Bush Estate direction towards Rangeview access into the Shopping Centre using entrance 1 & 2.

The closure of the right turning lanes for entrance 1 & 2 will make the level of service very high and will not affect the business as the traffic from Sugar Bush Estate direction towards Rangeview will use the 3rd entrance which is along Lud Hersch road to access the shopping centre.

Copies of the layout plan will lie open for inspection during normal office hours (7h30-16h00) for 30 (thirty) days from date of publication of this Notice at the office of Manager: Project Management Unit at No. 38 President Building, President Street, 5th Floor.

Any comment may be submitted in writing for the attention of **Manager: Project Management Unit** at the above mentioned address by hand or by e mail to Sebaka.Ramaremela@mogalecity.gov.za or Maria.Ledwaba@mogalecity.gov.za within 30 (thirty) days from date of publication of this notice.

For more enquiries please contact **MARIA LEDWABA** on (011) 951-2176
