

SMART METERING PROJECT CONTRACTOR OPPORTUNITY - AUDITING

CALL FOR APPLICATIONS: AUDITING CONTRACTOR

We are looking for qualified Electrical Meter Auditing Contractors to join our rollout of prepaid electricity smart meters.

Location: Mogale City Local Municipality

Project Duration: 4 weeks

Scope of Work: Auditing of smart prepaid electricity meters across identified areas within Mogale City Local Municipality.

Requirements:

Interested subcontractors must submit the following documentation:

Category	Requirement
Mandatory Requirements	
CIDB Registration	Registered and active CIDB status
Tax Clearance (TCC)	Valid South African Revenue Services clearance
CSD Registration	Active and verified Central Supplier Database registration
BBBEE Compliance	Certificate or Affidavit verifying SMME status on B-BBEE scorecard
COIDA	Current Compensation for Occupational Injuries and Diseases Act compliance
Technical Capability	
Meter Auditing	CIDB Grade 1 EP only for existing metering infrastructure audits
Tools & Equipment	Android smartphone with version 13 or later
PPE	Evidence of adequate PPE inventory and usage available
Operational Capacity	
SMME Turnover Documentation	Proof of annual turnover within SMME thresholds
Local Presence / Sustainability	Evidence of local workforce or ongoing local economic contribution
Project Work Plan & Mobilization Strategy	Brief outline of how project will be executed locally
SHEQ Methodology	
Quality Management	Quality assurance procedures documented
Health & Safety Policy	Clear, written H&S policy aligned with site and legal requirements

Submission Deadline: 27 August 2025

Submit Applications To: Mogale City Energy Department, cnr of Commissioner and Market Street, Krugersdorp

Only complete and compliant applications will be considered.

Let's power progress one smart meter at a time.
